1 ST Expert for Wood Ball bearing pilot set.
For hand-held routers |

PRODUCT DESCRIPTION

The Expert for Wood Ball Bearing Set provides versatile rounding size guides for easy and various routing results. Different routing profiles can be achieved by simply fitting in a different-sized ball bearing pilot. The high-quality ball bearings ensure smooth rolling on the workpiece for steady work with mark-free results. The ball bearings enable easy guiding of the router on the workpiece without a side fence.
