# BERG & SCHMID TOGGLE LEVER HAND PRESS HK 800 PRESSURE FORCE 8 KN STROKE 40 MM WORKING HEIGHT 50-200 MM

**SKU:** 4399901300453

Toggle lever hand press HK 800 pressure force 8 kN stroke 40 mm working height 50-200 mm

---

**Categories:** Toggle lever hand presses, Workshop accessories

**Product Features:** Model: HK 800
Pressure force: 8 kN
Hub: 40 mm
Working height: 50-200 mm
Spindle Ø: 24 mm
Brand: BERG & SCHMID

Scope of delivery:
1,00 ST Toggle lever hand press HK 800 pressure force 8 kN stroke 40 mm working height 50-200 mm |

## PRODUCT DESCRIPTION

Force transfer through toggle leverage
- Spindle hardened and ground
- Long spindle guide for optimal pressure performance
- Working height adjustable through simple loosening of the clamping bolts on the stand
- Hand lever return-guide over spring
- With bench drilling 15 mm Ø in the T-slot
- Special product benefits: This toggle lever press comes with fine adjustment of working height. The press knob can therefore be adjusted to the required working height with millimetre accuracy. Fine adjustment in both directions by means of a threaded spindle. Important! With toggle lever force transfer, the maximum pressure is reached when the articulated lever is straight, i.e. just before the end of the stroke. Further technical information:
- Width: 230mm
- Length: 160mm
- Length of table: 120mm

- Spindle hole: 10 H 7mm
- Weight: 22kg
- Width of footprint: 230mm
- Radius: 90mm
- Length of footprint: 160mm
- Spindle guide: 75mm
- Height of stand: 410mm
- Width of table: 160mm
- Width of groove: (DIN 650) 12mm
