GYS MIG/MAG WELDING SYSTEM MULTIWELD FV 220M WITH ACCESSORIES 30-220 A GAS-COOLED

SKU: 3154020065482

MIG/MAG welding system MULTIWELD FV 220M with accessories 30-220 A gas-cooled

Categories: [MIG/MAG welding machines](#),
[Welding systems and torches](#)

Product Features: Welding current range:
30-220 A

Welding current at 60% ED/40°C: 160 A

Welding current at 100% ED/40°C: 120 A

No. of welding levels: Continuous

Type of cooling: Gas-cooled

Standard: EN60974-1

Connec

Scope of delivery:

1,00 ST MIG/MAG welding system

MULTIWELD FV 220M with accessories 30-220

A gas-cooled |

PRODUCT DESCRIPTION

Properties and areas of application: Single-phase power source that combines the MIG/MAG, flux-cored wire and E-Hand (MMA) welding techniques

- The FV function (Flexible Voltage) makes it possible to operate the voltage sources between 85 and 265 V

- The intuitive control panel contains two digital displays for fast and precise adjustment Further technical information:

- Width: 470mm

- Length: 770mm

- Modes of operation: 2-cycle/4-cycle

- Drive: 4 roller gears

- Wire Ø: 0.6-1.0mm

- Weight: 32kg

- Mobility: On castors

- Protection class: IP23

- Wire pick-up: S 200/B 300
- Maximum current: 220A
- Design: Compact system
- Height: 790mm
- Welding technique: MIG-MAG/flux-cored wire/E-Hand
- Wire feed: Semi-automatic
- Mains voltage: 230 V / 50/60 Hz
- Fuse: 16A
- Open-circuit voltage: 75V Scope of supply: MIG/MAG welding system, 3 m MIG/MAG welding torch MIG25, 2 m electrode holder, pre-assembled, 2.5 m ground cable, pre-assembled, 3 m power cable with plug with earthing contact, DP equipment 0.8/1.0 mm

PRODUCT DATASHEET LEGAL NOTE

Please note that the information on this datasheet is provided without warranty and is intended only as non-binding information about the product. Any liability for damages or losses that may arise from the use of this information is excluded. We therefore recommend that you verify the information on this datasheet with other sources before making any decisions based on this information. Additional information about the product can be found on our website.
