GYS TIG WELDING SYSTEM PROTIG 201 AC/DC HF FV WITH ACCESSORIES 10-200 A GAS-COOLED

SKU: 3154020063945

TIG welding system PROTIG 201 AC/DC HF FV with accessories 10-200 A gas-cooled

Categories: [TIG welding machines](#), [Welding systems and torches](#)

Product Features: Welding current range: 10 - 200 A

Welding current at 60% ED/40°C: 95 A

Type of cooling: Gas-cooled

Standard: EN 60974-1

Connector type: F

Brand: GYS

Scope of delivery:

1,00 ST TIG welding system PROTIG 201 AC/DC HF FV with accessories 10-200 A gas-cooled |

PRODUCT DESCRIPTION

Properties and area of application: Ideal for repair and maintenance work on aluminium, steel, stainless steel and copper

- For all conventional rutile, stainless steel, cast and alkaline rod electrodes
- PFC technology
- With membrane keypad and digital display
- PROTEC400: Surge protection up to 400 V. The welding machine is protected for operation with generators. Power supply 230 V (mains voltage fluctuation +/- 15 %)
- Equipped with Secondary Regulation for additional stabilisation of the electric arc
- Pulse and easy pulse function
- 5 memory locations for preferred settings Further technical information:
- Width: 320mm
- Length: 520mm
- Modes of operation: 2-cycle / 4-cycle / 4-cycle log / spots / pulsing
- Ignition type: High-frequency / TIG lift
- Weight: 18.5kg

- Mobility: Portable
- Protection class: IP 21
- Current type: Alternating current - AC/ DC
- Type: With accessories
- Height: 470mm
- Welding technique: TIG (AC/DC E-Hand)
- Mains voltage: 230 V / 50/60 Hz
- Fuse: 13A
- Power input: 7.5kVA
- Open-circuit voltage: 70V Scope of supply: TIG welding system, TIG welding torch SR 26 DB 4 m, TIG accessory kit, ground cable 2 m, pre-assembled, electrode holder 2 m, pre-assembled

PRODUCT DATASHEET LEGAL NOTE

Please note that the information on this datasheet is provided without warranty and is intended only as non-binding information about the product. Any liability for damages or losses that may arise from the use of this information is excluded. We therefore recommend that you verify the information on this datasheet with other sources before making any decisions based on this information. Additional information about the product can be found on our website.
