PRODUCT DESCRIPTION

EN 166

- EN 170
- Elegant, modern design
- The flat, toric lens enables fantastic combination options with welding helmets, safety helmets and half-face masks - all with the best possible visibility
- Polypropylene frame with soft elastomers ensure a good seal and adaptation to the contours of the face to provide comprehensive protection against chemical spatter and flying particles
- The indirect ventilation system controls the air flow via the lens
- Misting is almost completely prevented
- The easily adjustable head band enables rapid and easy adjustment
