HONEYWELL HOWARD LEIGHT EAR DEFENDER VERISHIELD VS120D DIELECTRIC DIELECTRIC EN 352-1 32

SKU: 7312550351918

Ear defender VeriShield VS120D dielectric
dielectric EN 352-1 32

Categories: [Ear defenders/electronic ear defenders](#), [Head, eye, respiratory protection and ear defenders](#)

Product Features: Colour of capsule: Black
Approx. weight: 320 g
Type: Dielectric
SNR: 32
Standard: EN 352-1
PPE category: III
Brand: HONEYWELL HOWARD LEIGHT
[Datasheet](#)

Scope of delivery:
1,00 ST Ear defender VeriShield VS120D
dielectric dielectric EN 352-1 32 |

PRODUCT DESCRIPTION

Dielectric ear defenders - durable non-deformable plastic head band and head attachments for working with electricity

- Robust construction, moulded ABS with internal baffle construction for low weight EN 352-1 (SNR) = 32 dB (A) / H value = 35 dB (A) / M value = 29 dB (A) / L value = 22 dB (A)
- Honeywell Sound Management Technology (SMT): Suppresses harmful noise but makes speech and signals more naturally audible. This technical innovation allows speech frequencies to be understood with less distortion. This reduces isolation and excessive protection at work.
- Application: Buildings and construction, general industry, maintenance, utilities, etc., work with electricity Further technical information:
- L-value: 22dB
- Property: Dielectric
- M value: 29dB
- H value: 35dB

PRODUCT DATASHEET LEGAL NOTE

Please note that the information on this datasheet is provided without warranty and is intended only as non-binding information about the product. Any liability for damages or losses that may arise from the use of this information is excluded. We therefore recommend that you verify the information on this datasheet with other sources before making any decisions based on this information. Additional information about the product can be found on our website.
