LEDLENSER LED TORCH IW4R 150/75 LM LI-ION

SKU: 4058205016261

LED torch iW4R 150/75 lm Li-ion

Categories: [Lighting](#), [Torches](#)

Product Features: Model: iW4R

Battery voltage: 3.7 V

Rechargeable battery: Li-ion

Battery capacity: 750 mAh

Light output: 150/75 lm

Bulb life: 2/4 h

Length: 157 mm

Protection class: IP54

Fitted illuminant: LED

Char

Scope of delivery:

1,00 ST LED torch iW4R 150/75 lm Li-ion |

PRODUCT DESCRIPTION

Rechargeable work lamp with clip mechanism for flexible alignment

- 2 light sources (spot and flood)

- The flexible holder can be attached in many different ways thanks to the integrated magnet and aligned at the desired angle

- Battery level indicator

- Charge indicator Supplied with USB cable Note on the disposal of batteries and rechargeable batteries

As we sell batteries and rechargeable batteries and devices that contain batteries and rechargeable batteries, under the German Battery Act (BattG) we are obliged to draw your attention to the following:

The symbol of the waste bin with the X through it on batteries and rechargeable batteries means that they must not be disposed of in household waste after consumption. If batteries or rechargeable

batteries contain mercury, cadmium or lead, you will find the chemical symbol (Hg, Cd or Pb) under the symbol of the waste bin with the X through it. Every user of batteries or rechargeable batteries is legally obliged to return old batteries and rechargeable batteries. They can be returned, free of charge, to the

retailer or another collection point near you. You can obtain the addresses of suitable collection points near you from your local government authority. In the case of batteries that contain more than 0.0005

percent by mass mercury, more than 0.002 percent by mass cadmium or more than 0.004 percent by mass lead, the chemical symbols of the respective harmful substance used are indicated under the waste

bin symbol. The chemical symbols have the following meaning: Pb: Battery contains lead Cd: Battery contains cadmium Hg: Battery contains mercury
