OPTA PREMIUM CUTTING OIL CUT 3000 10 L

SKU: 4030968557984

Premium cutting oil Cut 3000 10 l

Categories: [Chemical-technical products](#),
[Cutting agents](#)

Product Features: Contents: 10 l

Container: Canister

Brand: OPTA

[safety instructions](#)

Scope of delivery:

1,00 ST Premium cutting oil Cut 3000 10 l |

PRODUCT DESCRIPTION

Chlorine-free

- Silicone-free
- PCB-free
- Solvent-free
- Mineral oil-based, non water-miscible premium cutting oil in a modern, lower viscosity, with excellent performance level for all types of chip removal metal processing and for all materials
- Particularly suitable for recirculation cooling lubrication Further technical information:
- Chemical basis: Mineral oil
- Material suitability: High alloy steel, stainless steel, steel, cast iron, non-ferrous metals, aluminium Note: Long tool service lives with optimum cutting speeds and feed rates
- Perfect surface qualities, dimensional stability and tool protection
- Significantly higher performance than the usual
- Cutting oils designed for non-ferrous material and VA machining

PRODUCT DATASHEET LEGAL NOTE

Please note that the information on this datasheet is provided without warranty and is intended only as non-binding information about the product. Any liability for damages or losses that may arise from the use of this information is excluded. We therefore recommend that you verify the information on this datasheet with other sources before making any decisions based on this information.
