1,00 ST Platform scale 60 kg |

PRODUCT DESCRIPTION

General-purpose platform scale with robust design

- The external operator's unit connected to the scale by a cable enables extremely flexible application
 - Also suitable for fixed assembly
 - Membrane keypad
 - Switch from kg to pounds
 - Illuminated LCD display
 - Incl. adapter, alternative operation with 6xAA batteries is possible
 - RS232 data interface
 - Calibration by the user
- Scope of supply: Mains adapter EU/CH
- Note on the disposal of batteries and rechargeable batteries
- As we sell batteries and rechargeable batteries and devices that contain batteries and rechargeable batteries, under the German Battery Act (BattG) we are obliged to draw your attention to the following: The symbol of the waste bin with the X through it on batteries and rechargeable batteries means that they must not be disposed of in household waste after consumption. If batteries or rechargeable batteries contain mercury, cadmium or lead, you will find the chemical symbol (Hg, Cd or Pb) under the symbol of the waste bin with the X through it. Every user of batteries or rechargeable batteries is legally obliged to return old batteries and rechargeable batteries. They can be returned, free of charge, to the retailer or another collection point near you. You can obtain the addresses of suitable collection points near you from your local government authority. In the case of batteries that contain more than 0.0005 percent by mass mercury, more than 0.002 percent by mass cadmium or more than 0.004 percent by mass lead, the chemical symbols of the respective harmful substance used are indicated under the waste bin symbol. The chemical symbols have the following meaning: Pb: Battery contains lead Cd: Battery contains cadmium Hg: Battery contains mercury
