PESOLA TABLE SCALE 6000 G WATERPROOF

SKU: 7612348915026

Table scale 6000 g waterproof

Categories: [Spring balances](#), [Table scale](#)
[PESOLA](#)

Product Features: Display: Metric

Capacity: 6000 g

Partition: 1 g

Type: Waterproof

Brand: PESOLA

Scope of delivery:

1,00 ST Table scale 6000 g waterproof |

PRODUCT DESCRIPTION

Waterproof

- IP68 (in line with DIN EN 60952)

- Parts counting function

- Illuminated LCD display

- Optimum setup with individually adjustable levelling feet

- Installed, rechargeable battery for mobile application

- Calibration by the user
Scope of supply: Integrated rechargeable battery, mains adapter EU/CH
Note on the disposal of batteries and rechargeable batteries
As we sell batteries and rechargeable batteries and devices that contain batteries and rechargeable batteries, under the German Battery Act (BattG) we are obliged to draw your attention to the following: The symbol of the waste bin with the X through it on batteries and rechargeable batteries means that they must not be disposed of in household waste after consumption. If batteries or rechargeable batteries contain mercury, cadmium or lead, you will find the chemical symbol (Hg, Cd or Pb) under the symbol of the waste bin with the X through it. Every user of batteries or rechargeable batteries is legally obliged to return old batteries and rechargeable batteries. They can be returned, free of charge, to the retailer or another collection point near you. You can obtain the addresses of suitable collection points near you from your local government authority. In the case of batteries that contain more than 0.0005 percent by mass mercury, more than 0.002 percent by mass cadmium or more than 0.004 percent by mass lead, the chemical symbols of the respective harmful substance used are indicated under the waste bin symbol. The chemical symbols have the following meaning: Pb: Battery contains lead Cd: Battery contains cadmium Hg: Battery contains mercury
