Scope of delivery:

12,00 ST Lubricant spray yellowish 400 ml |

PRODUCT DESCRIPTION

Light-coloured, strongly adhesive, silicone-free special grease with PTFE additive in a fast-evaporating solvent

- Additives for improving corrosion protection properties and ageing protection are only present in very small quantities
- Particularly supple, non-drip lubricating grease
- Temperature-resistant from -30° C to +130 °C
- Spray behaviour: Point jet for targeted application of the required grease thickness, grease does not run and can easily be applied in layers
- For lubrication and maintenance of slide rails, bearings, rollers and hinges in industrial installations, the food and beverage industry and agriculture, etc. Further technical information:
- Temperature: -30 to +130°C
