RIEGLER SPECIAL PNEUMATIC OIL 2.5 L

SKU: 4047322072847

Special pneumatic oil 2.5 l

Categories: [Chemical-technical products](#), [Oils](#)

Product Features: Container: Canister
Contents: 2.5 l
Brand: RIEGLER

Scope of delivery:
1,00 ST Special pneumatic oil 2.5 l |

PRODUCT DESCRIPTION

For mist lubricators, compressed air tools and pneumatic systems

- High-performance lubricating oil for type HLVP hydraulics and pneumatics to DIN 51524, Part 3, mineral oil-based for a high level of functional safety and operational reliability
- Free from zinc compounds
- Suitable for uses within the temperature range from -35 to +85 °C
- Due to the high viscosity-index of 190, it covers several viscosity classes with one oil quality, faultless function of the application is therefore ensured even at very low temperatures. Good corrosion protection, excellent ageing resistance and outstanding wear protection ensure a high degree of economic efficiency.

PRODUCT DATASHEET LEGAL NOTE

Please note that the information on this datasheet is provided without warranty and is intended only as non-binding information about the product. Any liability for damages or losses that may arise from the use of this information is excluded. We therefore recommend that you verify the information on this datasheet with other sources before making any decisions based on this information.
