PRODUCT DESCRIPTION

The Diamond Drill Bit Easy Dry makes dry drilling in ceramic easy. Its integrated coolant storage allows for smooth performance, while the bit´s robust and wear-resistant vacuum-brazed diamonds make work easier. Additionally, a working length of 33 mm allows the bit to comfortably drill holes in tiles of all thicknesses. This product is intended for a variety of materials from soft wall tiles to very hard floor tiles and fine stoneware. Do not drill in impact mode.
