ROBERT BOSCH POWER TOOLS GMBH 5-PIECE F460 SANDING SHEET SET. FOR ROTARY DRILLS/DRIVERS

SKU: 3165140004077

5-piece F460 sanding sheet set. For rotary
drills/drivers

Categories: [Accessories for BOSCH
professional](#), [Grinding and polishing](#)

Product Features: Disc diameter mm: 125
Grit: 180
Benefit HL (short): Excellent Finish
Performance Claim Text: Excellent Finish
(Version) Key RTB: Durable F-/E backing paper
for continuous work and professional
finishes
Specific RTB1: High-quality semi-friable
aluminium oxide and silicon carbide for
precision material removal with perfect
results
Specific RTB2: Electrostatically open-coated
and removes material with precision for
optimal sanding behaviour
Specific RTB3: Fully synthetic resin binding on
F-/E paper for wear resistance and long
performance lifetime
Material: Paint on wood
Material: Hardwood
Product text, Accessories grey: Pack of 5
SOL Date: 01.07.2015
Novelty: no

Scope of delivery:
5 ST 5-piece F460 sanding sheet set. For
rotary drills/drivers |

PRODUCT DESCRIPTION

The F460 Expert for Wood and Paint produces an excellent finish when keying and sanding wood as well as painted surfaces. Its F-/E backing paper is extremely durable, enabling continuous work and professional finishes. Furthermore, its high-quality semi-friable aluminium oxide and silicon carbide abrasive grit removes material with precision for perfect surface results. It is intended for flush sanding of edges and edge-strips and working on small surface pieces, as well as medium and fine sanding for surfaces, edges and rebates. It is also ideal for keying and the intermediate sanding of primers, fillers and varnishes. This sheet is coated with tough semi-friable aluminium oxide and silicon carbide for consistent surface quality. It is electrostatically open-coated and removes material with precision for optimal sanding behaviour. Furthermore, the grit is bonded using fully synthetic resin on the F-/E backing paper for wear-resistance in heavy-duty applications, enabling a long performance lifetime.
