Scope of delivery:

1 ST 9-piece socket set 6 - 14 mm. For rotary drills/drivers |

PRODUCT DESCRIPTION

The Impact Control Socket is highly robust when screw-driving hex screws with impact drivers and wrenches. S2 Modified Steel and an optimised heat-treatment process provide the socket with extra-tough endurance for high performance. This product is intended for screw-driving heavy-duty applications such as plant installations or in heavy industrial work.
