PRODUCT DESCRIPTION

Accessory RM 10, The RM 10 Professional rotating mount is the ideal solution for versatile applications in rough environments. This rotating unit has very strong magnets for quick placement on metal surfaces and features a slide mechanism for secure attachment to the GCL 2-50 G Professional. Due to its durable design it can withstand tough environments, while the mounts rubber feet ensure additional stability. A fine adjustment knob enables precise line positioning around the plumb dots. In addition, it is applicable

to metal stud track transfer applications. The RM 10 Professional is compatible with the optional ceiling clip DK 10 Professional. With the additionally available DK 10 Professional, the user can also perform fine height adjustment. Rotating Mount RM 10 Professional (0 601 092 A00)
