## ROBERT BOSCH POWER TOOLS GMBH ANGLE GRINDER GWS 30-180 B

SKU: 4059952559759

Angle Grinder GWS 30-180 B

**Categories:** [Angle grinder & metalworking](#),  
[BOSCH professional](#)

**Product Features:** No-load speed, from:  
6.500 rpm

Packaging dimensions (width): 190 mm

Packaging dimensions (length): 605 mm

Packaging dimensions (height): 135 mm

Packaging dimensions (width x length x  
height): 190 x 605 x 135 mm

Voltage, electrical: 230 V

Rated input power: 2.800 W

No-load speed, up to: 8.500 rpm

No-load speed: 8,500 rpm

Grinding spindle thread: M14

Main handle: Rattail

Disc diameter: 180 mm

Rubber backing pad, diameter: 180 mm

Wire cup brush, diameter: 5 mm

Tool dimensions (width): 110 mm

Tool dimensions (length): 530 mm

Tool dimensions (height): 150 mm

Weight: 5,7 kg

Product category subdivision: Angle Grinder

Positioning: Powerful large angle grinder with  
brushless motor and brake

User benefit incl. Reason to believe: Faster  
work and maximum material removal thanks  
to a 2,800 W brushless motor

User benefit incl. Reason to believe: Less  
wear and minimal downtime thanks to  
working without carbon brushes

User benefit incl. Reason to believe: KickBack  
Control, brake, Vibration Control, and an  
improved vibration cancelling system ensure  
increased user protection

Positioning (BE): Conquer more with less effort

User benefit incl. Reason to believe (BE): Powerful 2,800 W brushless motor delivers industry-leading material removal rate.

User benefit incl. Reason to believe (BE): Low maintenance and reduced tool downtime.

User benefit incl. Reason to believe (BE): Vibration Control prevents long-term damage to hands.

User benefit incl. Reason to believe (BE): Safety & convenience: KickBack Control, Soft Start, Restart Protection, and braking.

User benefit incl. Reason to believe (BE): The LED tool-status indicator tracks the tool status.

Areas of application: Cutting ferrous metals

Areas of application: Cutting synthetic material

Areas of application: Cutting non-ferrous metal

Areas of application: Cutting stone

Areas of application: Grinding coating material

Areas of application: Grinding concrete

Areas of application: Grinding ferrous metals

Areas of application: Grinding wood

Areas of application: Grinding synthetic material

Areas of application: Grinding natural materials

Areas of application: Grinding stone

## PRODUCT DESCRIPTION

Angle Grinder GWS 30-180 B, The GWS 30-180 B Professional is the angle grinder for faster and more comfortable material removal thanks to its very strong 2,800 W brushless motor. It provides maximum power, high overload capability, and stands for maximum productivity. The brushless motor without

commutator and carbon brushes leads to less wear and minimum downtime. The GWS 30-180 B Professional is equipped with KickBack Control and brake, which enables fast disc standstill. This, in addition to Vibration Control and an improved vibration cancelling system, provides enhanced user protection. The GWS 30-180 B Professional is ideal for grinding metal or welding seams and for cutting metal, concrete, bricks, and tiles. Additional features of the GWS 30-180 B Professional are an LED tool status indicator, Overload Protection, Restart Protection, and Soft Start.
