Scope of delivery:
1 ST Auto Start centring aid system for diamond holesaws. For rotary drills/drivers |

PRODUCT DESCRIPTION

The Auto Start Pilot Drill for Diamond Holesaws provides easy drilling starts. It drills the pilot hole in tiles and guides the diamond hole saw without the use of an external centring aide. The spring-mounted centring pin with a tungsten carbide tip provides the strength necessary for drilling starts in hard materials. Use this Auto Start Pilot Drill when cutting holes through tiles.
