PRODUCT DESCRIPTION

Battery Pack 6 x GBA 18V 4.0Ah, The GBA 18V 4.0 Ah Professional battery is designed for extended runtime in Bosch's 18 V category. Due to its higher battery capacity, it delivers 100% more runtime than the 18V 2.0 Ah model. This battery also features COOLPACK 1.0 technology for improved heat dissipation from the inside to the outside of the battery. As heat can damage the cells, the COOLPACK technology provides a longer battery lifetime and enables it to perform for longer work periods. All of our batteries are compatible with new and existing Bosch Professional tools in the same voltage class since 2008. The L-BOXX 136 with its special designed robust inlay offers an improved storage and transport solution in line with the Bosch Mobility System. For convenient handling, stacked boxes can be easily opened with the improved L-BOXX click mechanism. Full flexibility is provided by its extensive compatibility of the L-BOXX variants, tool inlays, and the Sortimo in-vehicle system. 6 x battery GBA 18V 4.0Ah (1 600 Z00 038); L-BOXX 136 (1 600 A01 2G0); 1/1 L-BOXX inlay for starter sets (1 600 A02 BV4)
