PRODUCT DESCRIPTION

The Best in Metal Cutting Discs has a distinguished lifetime when cutting demanding materials. Through its ceramic-encapsulated abrasive grains, the disc is highly wear-resistant and guarantees constant quality. The disc's wheel thickness notably extends its performance lifetime. The Best for Metal Cutting Disc's precision-manufactured fibreglass net allows high stability, endurance and safety when cutting. Use this disc for cutting various metal products. Bosch cutting discs comply with the maximum safety requirements, such as EN 12413, FEPA and oSa.
