Scope of delivery:
50 ST C420 SfWP, 230X280mm, G100. For
hand sanding |

PRODUCT DESCRIPTION

The C420 Standard for Wood and Paint is good for general sanding applications on wood and painted surfaces. The sanding sheets C/D paper backing is flexible and adapts to the work surface, enabling sanding in contours. It has a long performance lifetime due to the sheets strong grit adhesion, which prevents breakage and grit loss. The sheets tough aluminium oxide grit coating provides consistent stock material removal and an even surface quality. It is intended for the general hand sanding of wood, wood-based materials and veneer and is apt for intermediate sanding of varnishes on surfaces and roundings. It is also ideal for keying and sanding down paint, varnish and fillers as well as keying and fine sanding out feathered edges, primer and filler.
