PRODUCT DESCRIPTION

Carrying Case System L-BOXX 102 set 12pcs, The L-BOXX 102 Set with 12-piece Inset Box offers flexible storage in line with the Bosch Mobility System. Robustly designed, the L-BOXX 102 is perfect for safe storage and transport. The practical Inset Box (included) consists of a special arrangement of 12 small coloured boxes in different sizes for storing different items such as small accessories or consumables in the L-BOXX 102, and offers a clear overview and the best organisation. For highest flexibility, it also provides extensive compatibility with other L-BOXX variants and tool inlays, as well as with the sortimo in-vehicle system, offering the widest range of practical storage solutions. The L-BOXX 102 features click connections and an optional lock function and has a top-load capacity of up to 100 kg. It has also been recognised for outstanding design with a 2017 International Design Award, a 2018 German Design Award, and a pro-K award.
