## PRODUCT DESCRIPTION

Carrying Case System L-BOXX 102 set 6pcs, The L-BOXX 102 Set with 6-piece Inset Box offers flexible storage in line with the Bosch Mobility System. Due to its robust design, the L-BOXX 102 is ideal for safe storage and transport. A clear overview is provided by the practical Inset Box (included) with a special arrangement of six coloured boxes in different sizes for storing different items such as smaller accessories or consumables, enabling perfect organisation. For the highest flexibility, it also provides extensive compatibility to other L-BOXX variants and tool inlays, as well as to the sortimo in-vehicle system, offering the widest range of practical storage solutions. The L-BOXX 102 features click connections and an optional lock function and has a top-load capacity of up to 100 kg. It has also been recognised for outstanding design with a 2017 International Design Award, a 2018 German Design Award, and a pro-K award. L-BOXX 102 (1 600 A01 2FZ); Cardboard box
