Cordless Drill/Driver GSR 18V-90 C

Categories: Battery-powered tools, BOSCH professional, Drills & percussion drills, Networked products and services

Product Features: Positioning: Powerful cordless drill driver with compact head length and perfect tool control
Long version part 1: The GSR 18V-90 C Professional is a powerful cordless drill driver with a brushless motor that delivers top performance with 64 Nm and 2,100 rpm. Its compact head length of 163mm provides perfect tool handiness. The robust 13-mm metal chuck ensures great torque transfer for every job. The drill driver holds a very high level of tool control for both, increased user health and tool protection: The HMI offers switchable Kickback Control to reduce the risk of sudden rotational torque reaction in a bind-up scenario. A switchable Precision Clutch stops the overriding once a preset torque level is reached and, thus, reduces the wear and tear of the clutch and the resulting noise.
Long version part 2: The tool is intended for drilling in wood with a maximum diameter of 68 mm and in steel with a diameter of up to 13 mm. The GSR 18V-90 C Professional is compatible with all Bosch Professional 18V batteries and chargers (Professional 18V System).
User benefit incl. Reason to believe: Powerful brushless motor delivers high power with 64 Nm and 2,100 rpm maximising your efficiency on the job site
User benefit incl. Reason to believe: 13-mm
