## ROBERT BOSCH POWER TOOLS GMBH CORDLESS HEAT GUN GHG 18V-50

**SKU:** 4059952586687

Cordless Heat Gun GHG 18V-50

**Categories:** [Battery-powered tools](#), [BOSCH professional](#), [Hot Air Blowers & Glue Guns](#)

### **Product Features:** Tool dimensions (height):

209 mm

Tool dimensions (length): 77 mm

Tool dimensions (width): 183 mm

Airflow, up to: 175 l/min

Airflow: 175 l/min

Weight excl. battery: 0,59 kg

Heat-up time to 300°C: 6 s

Battery voltage: 18.0 V

Working temperature, from: 300 °C

Working temperature, up to: 500 °C

Working temperature: 300 - 500 °C

Packaging dimensions (height): 91 mm

Packaging dimensions (length): 222 mm

LED: yes

Airflow control: no

Presets: no

Temperature levels: 2

Packaging dimensions (width): 213 mm

Continuously variable temperature control:  
no

Cold stage, 50°C: no

Electronic thermal protection: no

Display: no

Product category subdivision: Cordless Heat  
Gun

Positioning: Flexible 18V heat gun for working  
on the go

Long version part 1: Work on the go - the  
GHG 18V-50 Professional is designed for  
flexible usage in any environment. Equipped  
with a fast heat up to 300 °C within 6  
seconds, this cordless heat gun loses no time

in reaching the defined temperature. Thanks to its great portability and flexibility, the GHG 18V-50 is great for use in any working environment, even at large construction sites where no electricity is available. With two temperature levels of 300 °C and 500 °C and the LED light, the heat gun ensures easy operation at any time.

Long version part 2: The GHG 18V-50

Professional is suitable for numerous applications, including tube shrinking. It is compatible with all available nozzles of our corded heat guns, as well as with all Bosch Professional 18V batteries and chargers (Professional 18V System). To reach maximum power, use ProCORE18V ? 4.0 Ah.

Long version part 3: When using ProCORE18V 8.0 Ah battery at 300 °C, battery runtime amounts up to 21 minutes.

User benefit incl. Reason to believe: Save time: Fast heating up to 300 °C within 6 seconds

User benefit incl. Reason to believe: Portability and flexibility in every working environment

User benefit incl. Reason to believe: Two temperature levels (300/500 °C) and LED light for easy operation

Positioning (BE): Flexible 18V heat gun for working on the go

Long version part 1 (BE): Work on the go - the GHG 18V-50 Professional is designed for flexible usage in any environment. Equipped with a fast heat up to 300 °C within 6 seconds, this cordless heat gun loses no time in reaching the defined temperature. Thanks to its great portability and flexibility, the GHG 18V-50 is great for use in any working environment, even at large construction sites where no electricity is available. With two temperature levels of 300 °C and 500 °C and the LED light, the heat gun ensures easy operation at any time.

User benefit incl. Reason to believe (BE): Save time: Fast heating up to 300 °C within 6 seconds

User benefit incl. Reason to believe (BE): Portability and flexibility in every working

environment

User benefit incl. Reason to believe (BE): Two temperature levels (300/500 °C) and LED light for easy operation

Title: Cordless Heat Gun GHG 18V-50

Professional

Novelty: no

Novelty until: 01.04.2022

Scope of supply: Cardboard box

Scope of supply: Reflector nozzle, 32 x 33 mm (1 609 390 453)

Scope of supply: Reduction nozzle, 9 mm (1 609 201 797)

SOL Date: 02.08.2021
