PRODUCT DESCRIPTION

Cordless Jobsite Light GLI 18V-4000 C, The GLI 18V-4000 C Professional is a bright and robust floodlight in the 18 V category. Its high-power LED is capable of producing up to 4,000 lumens of brightness for excellent illumination. The floodlight is extremely robust due to its solid metal body that is shielded with a shock-absorbing rubber frame and heavy-duty safety bars. It features a User Interface with brightness indication and charge level indicator as well as a Bluetooth connectivity module that offers convenient remote control and lighting adjustments via the MyTools tile in the Toolbox app. It has three brightness settings, flexible adjustment angles, and a 5/8" tripod thread, allowing for quick adaptation to any work situation. This floodlight is excellent for lighting up entire working areas. It is compatible with all Bosch Professional 18 V batteries and chargers (Professional 18V System). Cardboard box
