Product short description: Versatile, cordless solution for tackling a wide range of DIY projects
TOP product characteristics: High-performance motor with electronic speed preselection
TOP product characteristics: 180° light band for optimal illumination of the working area
TOP product characteristics: Bosch AutoClic system enables 3-second, keyless accessory changes
TOP product characteristics: Wide range of Starlock accessories available for multiple applications
TOP product characteristics: Compatible with Bosch 18V POWER FOR ALL battery
TOP product characteristics: POWER FOR ALL: One battery and charger for an entire Home & Garden tools system
TOP product characteristics: Syneon Technology regulates energy use for optimal efficiency and longer runtime
Product category subdivision: Cordless Multifunction Tool
Usage level: Advanced
