ROBERT BOSCH POWER TOOLS GMBH DRYWALL SCREWDRIVER GTB 6-50

SKU: 4053423239751

Drywall Screwdriver GTB 6-50

Categories: [BOSCH professional](#), [Drills & percussion drills](#)

Product Features: Self-drilling screw
diameter: 6,0 mm

Packaging dimensions (width): 404 mm

Packaging dimensions (length): 440 mm

Packaging dimensions (height): 119 mm

Packaging dimensions (width x length x height): 404 x 440 x 119 mm

Weight: 1,4 kg

Rated input power: 650 W

Torque, max. (soft screwdriving applications):
12 Nm

Bit holder: 1/4" Hex Uni wo Bit-Locking

No-load speed, from: 0 rpm

No-load speed, up to: 5.000 rpm

No-load speed: 0 - 5,000 rpm

Tool dimensions (width): 68 mm

Tool dimensions (length): 283 mm

Tool dimensions (height): 190 mm

Max. screw diameter: 6,0 mm

Vibration emission value ah [Screwdriving]:
1,5 m/s²

Uncertainty K [Screwdriving]: 1,0 m/s²

Product category subdivision: Drywall
Screwdriver

Positioning: Drywall Powerhouse: the
capable, convenient, and affordable drywall
screwdriver

Long version part 1: The GTB 6-50

Professional is a drywall screwdriver for
universal applications that, with its motor
speed of 5,000 rpm, is ideal for driving in a
large number of screws quickly and
effortlessly. Thanks to its 650 W power, it can

screw screws with a diameter of up to 6 mm. The retractable depth stop eliminates the need to remove it for unscrewing, making work quick and easy as the depth setting remains unchanged. The drywall screwdriver is compatible with Bosch Professional auto-feed attachments that allow the job to be done in half the time.

Long version part 2: The GTB 6-50

Professional is ideally suited for screwing drywall sheets to steel or timber studs for constructing walls and ceilings. It is compatible with Bosch Professional auto-feed attachments.

User benefit incl. Reason to believe: Strong motor for driving in a huge amount of screws quickly and effortlessly

User benefit incl. Reason to believe:

Retractable depth stop with unchanged depth setting for easy unscrewing

User benefit incl. Reason to believe:

Compatible with Bosch Professional auto-feed attachments

Positioning (BE): Efficient, Convenient and Affordable Drywall Powerhouse within Reach

Long version part 1 (BE): The GTB 650

Professional corded screwdriver makes installing drywall convenient, efficient, and affordable when tackling projects in drywall, light steel, and sheet metal. With a motor RPM of 5,000, this effective screw gun can be attached to an MA55 for automatic screw feeding for high-speed drywall installation. Its reversible depth gauge enables unscrewing without removing the depth gauge for added convenience and safety. Use this tool with drywall screws up to Ø4mm in one layer of drywall with light steel frames and self-drilling screws up to Ø6mm in 1.5 mm sheet metal.

User benefit incl. Reason to believe (BE): A high motor RPM of 5,000 for faster screwing and hence quicker job completion

User benefit incl. Reason to believe (BE): Use with drywall screws up to Ø4mm in two layers of drywall and self-drilling screws up to Ø6mm in 1.5 mm sheet metal

User benefit incl. Reason to believe (BE):

Reversible Depth Gauge allows unscrewing without removing the gauge for convenience and safety

User benefit incl. Reason to believe (BE):

Attach with the Bosch screw auto feeder for an increase of productivity by at least 50%

Areas of application: Screwdriving
