PRODUCT DESCRIPTION

Long Life in Grout and Soft Tile! Pointed segment saw blade for precise work right into corners. Removing the grout between tiles is a regular job for bathroom and kitchen fitters. Multi-tools are ideal for this task but sometimes its hard to reach into the corners or around fittings. Not so with the EXPERT Corner Blade, which not only offers great lifespan and fast grout removal, but also reaches corners with ease. The Bosch EXPERT Corner Blade for Multitool is the perfect accessory for tilers and bathroom- or kitchen-fitters. Its extreme long life and versatility mean it will always be at the top of your toolbox. Exceptionally durable cutting edge using Bosch Diamond Technology.
