PRODUCT DESCRIPTION

The Expert for Inox Cutting Disc delivers powerful cutting performance in Inox with maximum safety. The disc is made of premium super hard aluminium oxide with functional fillers and additives to reduce heat generated while cutting. This produces good quality surface results and assures a long disc-performance lifetime. In addition, the disc is free of ferrous, sulphurous and chlorinated fillers. Maximum work safety is ensured thanks to the precision-manufactured fibreglass net. Use this disc for cutting Inox. Bosch cutting discs comply with the maximum safety requirements, such as EN 12413, FEPA and oSa.
