PRODUCT DESCRIPTION

The Expert for Metal Cutting Disc provides powerful cutting performance in metal with maximum safety. The disc is made of premium aluminium oxide with advanced phenol resin, which copes with demanding applications while delivering good results. Moreover, the disc's precision-manufactured fibreglass net ensures high stability and safety when cutting. Use this disc for cutting metal. Bosch cutting discs comply with the maximum safety requirements, such as EN 12413, FEPA and oSa.
