## PRODUCT DESCRIPTION

The Expert for Wood Straight Bit is designed for heavy everyday use, offering a long lifetime of splinter-free routing in various applications. The bit is in-house manufactured using unique Microteq carbide for high durability and performance in wooden applications. Moreover, it features a Protection coating that protects it from friction, rust and pitch build-up, which extends the bit's superior cutting lifetime. Its design provides exceptional chip ejection, enabling for cleaner continuous cutting. It is intended for cutting grooves, slotting, rebating and jointing in soft and hard solid wood and wooden composites as well as special materials like solid surface.
