PRODUCT DESCRIPTION

High Protection for Angle Grinder Users! Thick rubber for extra grip and control. For anybody working regularly with an angle grinder, the vibrations produced by the work can be uncomfortable and even harmful. The EXPERT Handle is designed for professionals and uses Bosch Vibration Control, a flexible cushion system to dampen vibrations from the power tool. For those working with angle grinders on a regular basis, Bosch recommends the Bosch EXPERT Vibration Control Angle Grinder Handle. It's designed for the comfort and protection of both left- and right-handed operators. Comfort and protection with a Bosch Vibration Control handle.
