PRODUCT DESCRIPTION

High Precision Drilling Multiple Materials! Start holes accurately with a specially-designed centering tip. The modern construction site requires working on many different materials and you never know what you will need to drill next. Finding the right drill bit can be difficult and time-consuming - unless you have the EXPERT MultiConstruction Drill Bit. The Bosch EXPERT HEX-9 MultiConstruction Drill Bit is the one drill bit that should always be in your toolbox: you will never get stuck on a job or waste time looking for the right bit. Accurate drilling is easy with patented Bosch Centering Geometry.
