Long Life Cutting Sheet Metal and Abrasive Materials! Extra coating makes carbide tougher! Whether you work on buildings or vehicles, a multitool blade that makes a great cut in any material can make working life a lot easier. Integrating all of Boschs most advanced manufacturing techniques, the EXPERT MultiMax brings unrivalled versatility to your multitool. Bosch Curved-Tec blades became a firm favourite thanks to their ability to plunge neatly into materials and deliver difficult cuts to a high standard. With the Bosch EXPERT MultiMax Blade for Multitool you can bring this plunge cutting ability to the toughest materials, such as sheet metals, carbon fibre and red brick. Exceptional durability is built in with Bosch Carbide Technology.
