Scope of delivery:

10 ST EXPERT N475 SCM X-LOCK Disc, 125 mm, very fine. For small angle grinders |

PRODUCT DESCRIPTION

High Speed Metal Finishing! Rapid stock removal by high performance grits. Professional metalworkers take pride in the beauty of a finished surface, but surface finishing can be a time consuming job. By minimising the process steps required to achieve a perfect finish, the EXPERT SCM Flap Disc ensures efficiency without compromising on quality. Offering time savings to the professional by saving process

steps without compromising on quality, the EXPERT SCM Flap Disc is the experts choice when it comes to surface preparation. Exceptional abrasion with Bosch Surface Structure.
