Novelty: no

Novelty until: 01.08.2021

Scope of delivery:

20 ST EXPERT N880 Fleece Disc for Random Orbital Sanders 125 mm, Medium S. For random orbital sanders |

## PRODUCT DESCRIPTION

Long Life Finishing Metal! 3D structure allows grit through the fleece. High quality metalwork requires a high quality finish, and for this you need a good, consistent abrasive. The EXPERT N880 is not only good when its fresh out of the packet - it stays good over a long lifespan, delivering a consistent finish. Whether you are finishing a precision metal component, cleaning a work piece or blending in a hard to reach surface, the EXPERT N880 is the best choice in the long run. Strong, flexible bonding with Bosch Surface Structure.
