PRODUCT DESCRIPTION

The 20 Degree 1.6/16g Finish Nails are made of weather-resistant stainless steel. They are suitable for case construction, upholstery, door and window frames, picture frames, furniture manufacture, wall coverings and fibre plasterboard. Moreover, these finish nails provide a firm hold with heads that are barely visible, which allows for the easy and rapid fitting of covering and skirting boards and decorative strips. The 20 Degree 1.6/16g Finish Nails are manufactured in Europe for consistently high quality.
