## PRODUCT DESCRIPTION

The SDS max-9 NaturalStone Drill Bit offers long life for natural stones. It comes equipped with 2 main cutters and 2 robust side core pins that lengthen its lifetime. The bit is made from fine-grade, highly durable carbide that also ensures long lifetime and resists wear. Furthermore, a vibration-optimised 2+2 flute design provides the best power transfer when drilling. The bit is intended for use with natural stone. As proof of quality, the drill bit bears the test mark of the PGM Masonry Drill Bit Association Board, guaranteeing compliance with tight tolerances, exact drilling and the firm hold of fixings.
