ROBERT BOSCH POWER TOOLS GMBH HCS UNIVERSAL JOINT CUTTER MAII 32 SC. FOR OSCILLATING MULTITOOLS

SKU: 3165140833172

HCS universal joint cutter MAII 32 SC. For oscillating multitools

Categories: [Accessories for BOSCH professional](#), [Accessories for multifunctional tools](#)

Product Features: Width [mm]: 32
Length [mm]: 55
Benefit HL (short): Heavy-Duty Cutting of Soft Materials
Performance Claim Text: Heavy-Duty Cutting of Soft Materials
(Version) Key RTB: Sharp double-edged blade for 20,000 cuts per minute in resistant surfaces
Specific RTB1: Sturdy thin cutting edge resists bending for faster work
Specific RTB2: 55 mm blade length enables deep cuts
Specific RTB3: Starlock Max system offers maximum depth, speed and versatility in heavy-duty applications
Material: Silicone
Material: Mineral Wool
SOL Date: 01.01.2016
Novelty: no

Scope of delivery:
1 ST HCS universal joint cutter MAII 32 SC. For oscillating multitools |

PRODUCT DESCRIPTION

The Starlock MAII 32 SC cutter provides efficient results in various heavy-duty soft materials. It features a

sharp double-edged blade for cuts at the rapid rate of 20,000 cuts per minute in resistant surfaces. Its blade boasts a thin and sturdy cutting edge that proves resilient to bending, enabling faster progress in heavy-duty flexible materials. The 55 mm blade length enables deep cuts in resistant soft materials. This cutter is designed for use on soft expansion joints, heavy-duty caulking for edges and deep silicone joints as well as for cutting out window putty and putty material. The Starlock Max system offers maximum depth, speed and versatility in even the most demanding heavy-duty applications. The Starlock Snap-In mounting system allows fast blade removal and exchange within 3 seconds without having to touch the blade. The mounting system produces the highest power transfer due to a 3-dimensional tight-fitting connection between machine and accessory.
