ROBERT BOSCH POWER TOOLS GMBH HEAT GUN GHG 20-63

SKU: 3165140889445

Heat Gun GHG 20-63

Categories: [BOSCH professional](#), [Hot Air Blowers & Glue Guns](#)

Product Features: Packaging dimensions (width): 273 mm

Packaging dimensions (length): 283 mm

Packaging dimensions (height): 99 mm

Packaging dimensions (width x length x height): 273 x 283 x 99 mm

Rated input power: 2.000 W

Working temperature, from: 50 °C

Working temperature, up to: 630 °C

Working temperature: 50 - 630 °C

Airflow, from: 150 l/min

Airflow, up to: 500 l/min

Airflow: 150 - 500 l/min

Weight: 0,7 kg

Tool dimensions (width): 86 mm

Tool dimensions (length): 245 mm

Tool dimensions (height): 201 mm

Continuously variable temperature control: no

Cold stage, 50°C: no

Control, airflow: 3

Product category subdivision: Heat Gun

Positioning: Powerful heat gun with digital temperature control

User benefit incl. Reason to believe: Two airflow settings and an additional cooling at 50° C, digitally adjustable temperature by steps of 10° C

User benefit incl. Reason to believe: High-powered heat gun reaches up to 630° C smoothly thanks to strong 2,000 W motor

User benefit incl. Reason to believe:

Automatic thermal protection switches off

the heating unit if motor overheats for increased protection and long lifetime
Positioning (BE): The heat gun with the greatest ease of use
User benefit incl. Reason to believe (BE): Heating automatically switches off and cools when overheating, for long service life
User benefit incl. Reason to believe (BE): Three working temperature settings
User benefit incl. Reason to believe (BE): Airflow and temperature control in steps of ten for precise working
Title: Heat Gun GHG 20-63 Professional
Novelty: no
Novelty until: 04.12.2018
Scope of supply: Cardboard box
SOL Date: 01.01.2017

Scope of delivery:
1 ST Heat Gun GHG 20-63 |

PRODUCT DESCRIPTION

Heat Gun GHG 20-63, The powerful GHG 20-63 Professional heat gun with temperature control is ideal for use in a wide range of jobs. For high versatility, it is equipped with two airflow settings, an additional cooling function at 50° C, and features a digitally adjustable temperature control function by steps of 10° C. High powered with a 2,000 W motor, the GHG 20-63 Professional reaches up to 630° C smoothly. For increased user protection and a long tool lifetime, it features a thermal protection function that switches off the heating unit, although the air blower is still running. This heat gun is intended for use in a multitude of applications requiring hot air streams and is ideal for renovation works. The GHG 20-63 Professional´s 1.4" display ensures increased ease of use. For better user protection, it also features a protective handle and the possibility to put the heat gun aside right after operation for cooling down.
Cardboard box
