Scope of delivery:
5 ST Impact Control T20 Insert Bits, 2pc. For
screwdrivers |

PRODUCT DESCRIPTION

The Impact Control Screwdriver Bit is highly robust and even withstands the high power of impact drivers. Its extended torsion zone makes the bit extremely sturdy for long-lasting work, while S2 Modified Steel and an optimised heat treatment process provide extra-tough endurance for high performance. This product is perfect for heavy-duty applications such as plant installations or heavy industry work.
