PRODUCT DESCRIPTION

The J450 Expert for Wood and Paint has an excellent material removal rate on wood and painted surfaces. It ensures an even, consistently high material removal rate due to its tough semi-friable aluminium oxide abrasive grit coating. Its flexible J-cloth backing enables sanding on contoured workpieces and difficult areas. The J450 Expert for Wood and Paint is ideal for sanding solid wood as well as removing paint, lacquer and veneer. The J450 Expert for Wood and Paint is easy to rip to any desired size and shape. It tears straight along the length and across the width.
