Novelty until: 01.03.2018

Material: BIM

Diameter [mm]: 145

Benefit HL (short): Extra-Fast Deep Cuts in Wood

Performance Claim Text: Extra-Fast Deep Cuts

(Version) Key RTB: Superior 50-mm cutting depth and a cutting width of 100 mm

Specific RTB1: Side set teeth enable faster burn-free cutting

Specific RTB2: Large surface area acts as guide for precise straight cuts over long areas; ideal for cutting right into corners

Specific RTB3: Starlock Max system offers maximum depth, speed and versatility in heavy-duty applications

Material: Construction wood

Scope of delivery:

1 ST MACZ 145 BB Segment Saw Blade. For oscillating multitools |

PRODUCT DESCRIPTION

The Starlock MACZ 145 BB Segment Saw Blade provides extra-fast deep cuts in wooden materials. The blade is equipped with a superior 50-mm cutting depth and delivers a cutting width of 100 mm. Its side set teeth enable faster burn-free cutting, while the blade's large surface allows for precise guided straight cuts over long areas. This pointed segment saw blade enables cutting right into corners. It is ideal for sawing in wood, hardwood and insulation. The Starlock Max system offers maximum depth, speed and versatility in even the most demanding heavy-duty applications. Additionally, the Starlock Snap-In feature makes for fast blade removal and exchange within 3 seconds without having to touch the blade. The special mounting system produces the highest power transfer thanks to a 3dimensional tight-fitting connection between machine and accessory.
