Product category subdivision: Orbital Sander

Positioning: Compact and ergonomic orbital sander with robust clamping system for small surfaces

Long version part 1: The GSS 140-1 A Professional is Bosch's compact and ergonomic corded orbital sander with a robust clamping system for small surfaces. It features an ergonomic palm rest and compact design for easy, comfortable handling. Durability for extended use is provided by a robust metal sheet. The clamping system with hook-and-loop foam pad is designed for the easy changing and replacing of sanding paper.

Long version part 2: The orbital sander is intended for small flat surfaces, in-between sanding, and surface finishing. It is applicable on wood, veneer, lacquer, filler as well as mineral and acrylic surfaces. It is compatible with the Bosch Click & Clean System.

Long version part 3: The GSS 140-1 A Professional also includes a dust box with a built-in Bosch Micro Filter System, interchangeable pads and is designed to enable one-handed use.

User benefit incl. Reason to believe: Features an ergonomic palm rest and compact design for easy, comfortable handling

User benefit incl. Reason to believe: Robust metal sheet provides tool durability
