Product text, Accessories green: The Project Box Hand Sanding is the perfect choice for various sanding applications on a wide range of materials. It offers solutions for different projects including hand sanding wooden materials, removing colour residues, old paint layers, as well as sanding metal and plastic surfaces. This box consists of abrasives featuring different grit sizes and sanding accessories that also allow for wet use. Sponges and fleecepads are washable and therefore more durable. Due to the different shapes, not only flat surfaces but also hard-to-reach areas and curved workpieces can be processed.
