1 ST Protector for GET 55-125. For random orbital sanders |

PRODUCT DESCRIPTION

The Protector for Turbo Random Orbital Sanders is the practical solution for preventing damage to workpiece edges, while also supporting and protecting backing pads - especially when sanding in corners. Its solid design makes it robust and it can be easily attached to the Turbo Random Orbital Sander's mounting system by simply clicking it on and off. Suitable for: GET 55-125 Professional.
