ROBERT BOSCH POWER TOOLS GMBH RB - 10PCS MAIZ32 EPC. FOR OSCILLATING MULTITOOLS

SKU: 3165140936095

RB - 10PCS MAIZ32 EPC. For oscillating multitools

Categories: [Accessories for BOSCH professional](#), [Accessories for multifunctional tools](#), [Saws](#)

Product Features: Width [mm]: 32
Length [mm]: 80
Benefit HL (short): Extra-Deep Cuts in Wood
Performance Claim Text: Extra-Deep Cuts in Wood
(Version) Key RTB: 80 mm length for extended blade reach
Specific RTB1: Sturdy mounting system reduces wobbling for longer controlled cuts
Specific RTB2: Rounded cutting edge (Curved-Tec) makes for precise and smooth plunge cutting
Specific RTB3: Starlock Max system offers maximum depth, speed and versatility in heavy-duty applications
Material: Softwood
SOL Date: 01.09.2017
Novelty: no
Novelty until: 01.03.2018

Scope of delivery:
1 ST RB - 10PCS MAIZ32 EPC. For oscillating multitools |

PRODUCT DESCRIPTION

The Starlock MAIZ 32 EPC blade delivers extra-deep cuts in wood. Its 80 mm length increases the blade's reach for extended cuts. With direct power transmission, the blade's sturdy mounting system reduces

wobbling for longer controlled cuts. These heavy-duty features make this product ideal for deep plunge cuts in wood and wooden beams as well as producing recesses for tenons or connections. The blade also cuts through solid softwood. A rounded cutting edge (Curved-Tec) makes for precise and smooth plunge cutting. The Starlock Max system offers maximum depth, speed and versatility in even the most demanding heavy-duty applications. Additionally, the Starlock Snap-In feature allows fast blade removal and exchange within 3 seconds without having to touch the blade. The special mounting system produces the highest power transfer thanks to a 3-dimensional tight-fitting connection between machine and accessory.
