1 ST Screwdriving attachment. For rotary
drills/drivers |

PRODUCT DESCRIPTION

The Depth Stops for Screwdriving enables flush screwdriving in soft materials such as plasterboard or drywall without damaging the surface. It features a depth-sensitive clutch for flush work applications without overdriving the screws. The attachment has a 1/4-inch external hex shank for use with all drill drivers and screwdrivers. It is suitable for work with only PH2 screws.
