ROBERT BOSCH POWER TOOLS GMBH SDS PLUS-9 SPEED CLEAN. FOR ROTARY HAMMER DRILLS

SKU: 3165140976565

SDS plus-9 Speed Clean. For rotary hammer drills

Categories: Accessories for BOSCH professional, Drilling

Product Features: Diameter (D) mm: 18,00
Working length (L1) mm: 150
Total length (L2) mm: 280
Benefit HL (short): Dustless Drilling in Masonry, Concrete and Reinforced Concrete
Performance Claim Text: Dustless Drilling
(Version) Key RTB: Extraction holes for optimum material removal and a clean working environment without additional steps
Specific RTB1: Available as 4-cutter for bigger diameters and as 2-cutter for smaller diameters: features an accurate centring tip
Specific RTB2: Visibility of wear mark indicates if the diameter of the hole is still in tolerance for metal anchor settings
Specific RTB3: Made in Germany
Material: Concrete
Material: Lime and sand bricks
Material: Solid brick
Material: Concrete building block
Material: Hard stone
Material: Masonry
Product text, Accessories grey: Pack of 1
SOL Date: 20.12.2018
Novelty: no
Novelty until: 20.06.2019

Scope of delivery:
1 ST SDS plus-9 Speed Clean. For rotary

PRODUCT DESCRIPTION

The SDS plus-9 Speed Clean Drill Bit allows for dustless drilling. While working, the built-in vacuum attachment pulls dust though extraction holes in the drill bit, allowing optimum material removal without additional steps. This technology results in a clean, dust-free working environment. The bit is intended for use on masonry, concrete and reinforced concrete. The SDS plus-9 Speed Clean Drill Bit is available as 4-cutter for bigger diameters and as 2-cutter for smaller diameters and features an accurate centring tip. To achieve accurate results, the visibility of the wear mark indicates if the diameter of the hole is still in tolerance for metal anchor setting. It is made in Germany.
